

Four Man Team Variable Best Ball At Indian Creek

The Lincoln Senior Men's Golf League 'Fun in the Fall' Series hosted a 4-Man Team Variable Best Ball event at Indian Creek Golf Course, at Elkhorn, Nebraska, on Wednesday September 28, 2011. A field of 128 golfers signed up for this event and they all showed up at the course at 11 am for the shotgun start. Because the players were allowed to make up their own teams, the teams were flighted by the team handicaps. In this format, best ball, all players play their own ball throughout the round. When play on a hole is completed and a gross score is established, handicap strokes are subtracted and a Net score is written on the scorecard. The team score on par 3 holes is the SUM of the three best net scores on that hole; on par 4 holes the team score is the SUM of the two best net scores on that hole; on par 5 holes the team score is the one best net score on that hole. Temperatures and conditions placed this day within the top ten days for golf in Nebraska

Players who normally hit from the blue tees should hit from the WHITE tees. If they normally hit from the white tees, hit from the GOLD tees. There will be no number of required tee shots by each player. The normal senior league rules apply. The (Black Bird) Black course and the Grey Hawk) Grey course are in play for this event. According to the official score card 'slow play will not be permitted'. With the late start time we needed to keep up the pace in order to get back to Lincoln in time for dinner, let alone the cocktail hour.

At the end of play at Indian Creek golf Course, Winners of the first flight were the team of Steve Kahler, Ned Hedges, Dave Neuhaus and Carl Hutchison, with a team score of 120. The second flight was taken by the team of Wade Graft, George Lehr, Jim Snyder and Jim Lehr, with a team score of 119. Honors in the third flight went to Jack McKimney, Bob Coleman, Jim Shook and Gayle Burr, with a team score of 120.
